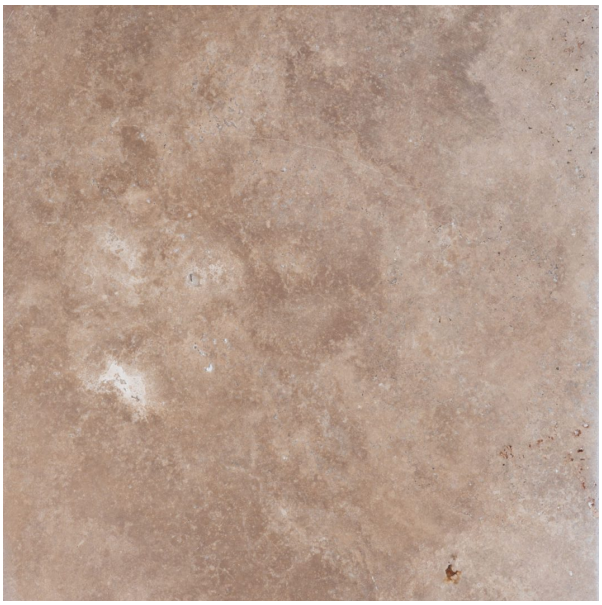
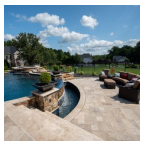
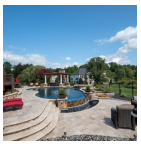
WALNUT TRAVERTINE

WALNUT TRAVERTINE TUMBLED 16X24 3CM PAVER - PREMIUM







Timeless travertine designed for elevated outdoor living.

Walnut Travertine Tumbled 16x24 3cm Paver - Premium is a brown travertine paver from the Walnut Travertine Collection. The 16x24 format and 1-3/16" (3CM) thickness are used for pool and patio decks, walkways, and stepping stone layouts. The Tumbled finish gives the surface a matte, textured face with more grip than a smooth finish, and V3 (Moderate Variation) creates more visible natural movement across the finished field.
