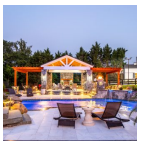
AFYON WHITE MARBLE

AFYON WHITE MARBLE SAND BLASTED 24X24 3CM PAVER



Resort-inspired marble paver for structured exterior design.

Afyon White Marble Sand Blasted 24x24 3cm Paver is a white marble paver from the Afyon White Marble Collection. The 24x24 format and 1-3/16" (3CM) thickness are used for pool and patio decks, walkways, and stepping stone layouts. The Sandblasted finish gives the surface a matte, textured face with more grip than a smooth finish, and V1 (Uniform Appearance) supports a more consistent look across the finished field with limited shade movement.
