AFYON GREY MARBLE

AFYON GREY MARBLE SAND BLASTED 24X24 3CM PAVER

Contemporary grey marble for clean-lined pool and patio spaces.

Afyon Grey Marble Sand Blasted 24x24 3cm Paver is a light cool-grey marble paver with fine blue-grey speckling and soft cloudy movement from the Afyon Grey Marble Collection. The 24x24 format and 1-3/16" (3CM) thickness are used for pool and patio decks, walkways, and stepping stone layouts. The Sandblasted finish gives the surface a matte, textured face with more grip than a smooth finish, and V1 (Low Variation) supports a more consistent look across the finished field with limited shade movement.
