AFYON GREY MARBLE

AFYON GREY MARBLE SAND BLASTED FRENCH PATTERN 3CM PAVER

Contemporary grey marble French pattern for layered outdoor spaces.

Afyon Grey Marble Sand Blasted French Pattern 3cm Paver is a light cool-grey marble paver with fine blue-grey speckling and soft cloudy movement from the Afyon Grey Marble Collection. The French Pattern format and 1-3/16" (3CM) thickness are used for pool and patio decks, walkways, and stepping stone layouts. The Sandblasted finish gives the surface a matte, textured face with more grip than a smooth finish, and V1 (Low Variation) supports a more consistent look across the finished field with limited shade movement.
