AFYON GREY MARBLE

AFYON GREY MARBLE SPLITFACE CORNER VENEER – 4"X8"

PRODUCT PHOTO UNAVAILABLE

Architectural marble veneer with textured stone movement.

Afyon Grey Marble Splitface Corner Veneer – 4"x8" is a light cool-grey marble veneer piece with fine blue-grey speckling and natural cloudy movement from the Afyon Grey Marble Collection. The Splitface finish creates a dimensional stone face with natural depth and shadow, while the 4"x8" format is used for outside corners, columns, returns, and wall edges where matching ledger panels wrap around a vertical corner. V1 (Low Variation) supports a more consistent look across the finished wall with limited shade movement.
