AFYON GREY MARBLE

AFYON GREY MARBLE SPLITFACE LEDGER PANEL - 6X24

Marble wall veneer for indoor and outdoor feature walls.

Afyon Grey Marble Splitface Ledger Panel - 6x24 is a light cool-grey marble veneer piece with fine blue-grey speckling and natural cloudy movement from the Afyon Grey Marble Collection. The Splitface finish creates a dimensional stone face with natural depth and shadow, while the 6x24 format is used for feature walls, facades, fireplace surrounds, columns, and other vertical veneer applications. V1 (Low Variation) supports a more consistent look across the finished wall with limited shade movement.
