AFYON GREY MARBLE

AFYON GREY MARBLE SPLITFACE LEDGER PANEL CORNER - 6X6

Marble veneer with dimensional natural texture.

Afyon Grey Marble Splitface Ledger Panel Corner - 6x6 is a light cool-grey marble veneer piece with fine blue-grey speckling and natural cloudy movement from the Afyon Grey Marble Collection. The Splitface finish creates a dimensional stone face with natural depth and shadow, while the 6x6 format is used for outside corners, columns, returns, and wall edges where matching ledger panels wrap around a vertical corner. V1 (Low Variation) supports a more consistent look across the finished wall with limited shade movement.
