# ARCTIC GREY MARBLE SPLITFACE LEDGER PANEL - 6X24

## Dimensional marble panels for refined vertical surfaces.

Arctic Grey Marble Splitface Ledger Panel - 6x24 is a blue-gray marble veneer piece from the Arctic Grey Marble Collection. The Splitface finish creates a dimensional stone face with natural depth and shadow, while the 6x24 format is used for feature walls, facades, fireplace surrounds, columns, and other vertical veneer applications. V2 (Slight Variation) supports a balanced look across the finished wall with modest shade movement.
