ARCTIC GREY MARBLE

ARCTIC GREY MARBLE SPLITFACE LEDGER PANEL CORNER - 6X18

Marble wall veneer for indoor and outdoor feature walls.

Arctic Grey Marble Splitface Ledger Panel Corner - 6x18 is a blue-gray marble veneer piece from the Arctic Grey Marble Collection. The Splitface finish creates a dimensional stone face with natural depth and shadow, while the 6x18 format is used for outside corners, columns, returns, and wall edges where matching ledger panels wrap around a vertical corner. V2 (Slight Variation) supports a balanced look across the finished wall with modest shade movement.
