PORCELAIN PAVER

ARK IVORY MATTE 24X24X2CM RECTIFIED PORCELAIN PAVER

Porcelain pavers for clean modern poolside spaces.

Ark Ivory Matte 24x24x2cm Rectified Porcelain Paver is a beige porcelain paver from the Porcelain Paver Collection. The 24x24x2cm rectified format, 0.75" (2CM) thickness, and Matte surface are used for exterior paving layouts where a controlled color range, consistent sizing, and porcelain performance are important.
