BLACK BASALT

BLACK BASALT TUMBLED+BRUSHED 14X24X2 DOUBLE EASED EDGE WALL CAP (BEVELED)

Basalt wall cap with structured architectural edges.

Black Basalt Tumbled+Brushed 14x24x2 Double Eased Edge Wall Cap (beveled) is a black basalt coping, cap, and tread piece from the Black Basalt Collection. The 14x24x2 size, 2" (5CM) thickness, and Double Eased Edge profile are used for pool edges, wall caps, and step treads. The Tumbled + Brushed finish gives the stone a matte texture, and V1 (Uniform Appearance) supports a more consistent look across individual pieces with limited shade movement.
