BLACK BASALT

BLACK BASALT TUMBLED+BRUSHED 8X16 3CM PAVER

Architectural basalt designed for elevated outdoor living.

Black Basalt Tumbled+Brushed 8x16 3cm Paver is a black basalt paver from the Black Basalt Collection. The 8x16 format and 1-3/16" (3CM) thickness are used for pool and patio decks, walkways, and stepping stone layouts. The Tumbled + Brushed finish gives the surface a matte, textured face with more grip than a smooth finish, and V1 (Uniform Appearance) supports a more consistent look across the finished field with limited shade movement.
