PRODUCT SPEC SHEET

PHILLY TRAVERTINE

PHILLY TRAVERTINE TUMBLED 12X48X2 SINGLE BULLNOSE COPING - PREMIUM

Travertine coping with softened architectural edges.

Philly Travertine Tumbled 12x48x2 Single Bullnose Coping - Premium is a brown travertine coping, cap, and tread piece from the Philly Travertine Collection. The 12x48x2 size, 2" (5CM) thickness, and Single Bullnose profile are used for pool edges, wall caps, and step treads. The Tumbled finish gives the stone a matte texture, and V3 (Moderate Variation) creates more visible natural movement across individual pieces.
