PRODUCT SPEC SHEET

PHILLY TRAVERTINE

PHILLY TRAVERTINE TUMBLED 14X24X2 EASED EDGE COPING - PREMIUM

Resort-inspired travertine coping for elevated outdoor spaces.

Philly Travertine Tumbled 14x24x2 Eased Edge Coping - Premium is a brown travertine coping, cap, and tread piece from the Philly Travertine Collection. The 14x24x2 size, 2" (5CM) thickness, and Eased Edge profile are used for pool edges, wall caps, and step treads. The Tumbled finish gives the stone a matte texture, and V3 (Moderate Variation) creates more visible natural movement across individual pieces.
