PRODUCT SPEC SHEET

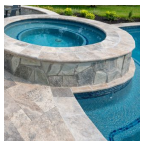

SILVER TRAVERTINE

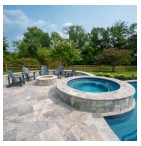

SILVER TRAVERTINE TUMBLED 16X24X2 DOUBLE BULLNOSE COPING - PREMIUM

Contemporary grey travertine coping for classic pool transitions.

Silver Travertine Tumbled 16x24x2 Double Bullnose Coping - Premium is a gray travertine coping, cap, and tread piece from the Silver Travertine Collection. The 16x24x2 size, 2" (5CM) thickness, and Double Bullnose profile are used for pool edges, wall caps, and step treads. The Tumbled finish gives the stone a matte texture, and V3 (Moderate Variation) creates more visible natural movement across individual pieces.
