SILVER TRAVERTINE

SILVER TRAVERTINE TUMBLED FRENCH PATTERN 3CM PAVER - PREMIUM

Travertine French pattern for traditional pool and patio layouts.

Silver Travertine Tumbled French Pattern 3cm Paver - Premium is a gray travertine paver from the Silver Travertine Collection. The French Pattern format and 1-3/16" (3CM) thickness are used for pool and patio decks, walkways, and stepping stone layouts. The Tumbled finish gives the surface a matte, textured face with more grip than a smooth finish, and V3 (Moderate Variation) creates more visible natural movement across the finished field.
