WALNUT TRAVERTINE

# WALNUT TRAVERTINE TUMBLED 12X24X2 SINGLE BULLNOSE COPING - PREMIUM

## Natural character travertine coping for classic pool transitions.

Walnut Travertine Tumbled 12x24x2 Single Bullnose Coping - Premium is a brown travertine coping, cap, and tread piece from the Walnut Travertine Collection. The 12x24x2 size, 2" (5CM) thickness, and Single Bullnose profile are used for pool edges, wall caps, and step treads. The Tumbled finish gives the stone a matte texture, and V3 (Moderate Variation) creates more visible natural movement across individual pieces.
