WALNUT TRAVERTINE

WALNUT TRAVERTINE TUMBLED 16X24X2 SINGLE BULLNOSE COPING - PREMIUM

Traditional bullnose travertine for tailored pool edges.

Walnut Travertine Tumbled 16x24x2 Single Bullnose Coping - Premium is a brown travertine coping, cap, and tread piece from the Walnut Travertine Collection. The 16x24x2 size, 2" (5CM) thickness, and Single Bullnose profile are used for pool edges, wall caps, and step treads. The Tumbled finish gives the stone a matte texture, and V3 (Moderate Variation) creates more visible natural movement across individual pieces.
