WALNUT TRAVERTINE

WALNUT TRAVERTINE TUMBLED 24X72X2 EASED EDGE TREAD - PREMIUM

Travertine tread designed for elevated pool and patio edges.

Walnut Travertine Tumbled 24x72x2 Eased Edge Tread - Premium is a brown travertine coping, cap, and tread piece from the Walnut Travertine Collection. The 24x72x2 size, 2" (5CM) thickness, and Eased Edge profile are used for step treads, wall caps, long landings, and pool-edge details. The Tumbled finish gives the stone a matte texture, and V3 (Moderate Variation) creates more visible natural movement across individual pieces.

PRODUCT DETAILS

SKU	TRE-WALTRA-T-24x72x2-SE-PREM
